ARCHERY and 22 RIFLE SHOOT

Genesis Compound bows and 22 Rifles will be used for this exciting shooting sports action competition. Each event will be scored by the boy's age, not the age group he is a part of. There will be first, second, and third places for boys ages 8-9, 10-11, 12-13, 14-15, and 16-18. There will also be an open class Archery category for those who want to bring their own bow. birds. Each additional round of 10 will cost \$5.00.

SECTIONAL EVENT RESPONSIBILITY

The camp is open for visitation on Saturday beginning from 9:00 am to 9:00 pm as JLTA Graduation will take place at 7:30 pm prior to the Saturday evening service. It is an opportunity for parents, children, and spouses to come up and take in a little of the Pow-wow experience. We ask that all visitors check in and check out upon entering and exiting the camp. FCF VILLAGE

FRONTIERSMAN CAMPING FELLOWSHIP

Become part of an elite organization that prides itself on Servanthood, Fellowship, and Spiritual Leadership. FCF is truly the "Best of the Best"!

The FCF Village is a popular part of the camp, and is always an exciting place to visit. The Village will be open Friday and Saturday afternoon to non-FCF members. This is a great opportunity for boys to see and learn more about what FCF is all about. Boys may partake in tomahawk throwing, watch frontier demonstrations, make crafts, and listen to storytelling. All FCF members will need to be in costume and participate in showing the boys around the Village, sharing with them the spirit of FCF. Every FCF member should set up a lodge in the village whether you are able to stay in the village or not. All young-bucks (FCF members under 18) are invited to stay in the village with their Outpost Coordinator's permission. Please stay out of the village except during times when the village is open.

BGMC Challenge - Royal Rangers International

With your help, the Northern Missouri District Royal Rangers gave \$5,358 to BGMC - Master's Toolbox in 2021 which went directly to Royal Rangers International. Our district was the 9th overall in highest giving in the nation. This year let's see if we can set a new record, so please remember to bring your Masters Toolboxes to Pow-wow to help with the cause. Please give generously. We will host an auction Friday and Saturday mornings with all proceeds going towards BGMC. **Plan to bring your auction items!** Outpost Coordinators, in case you were not aware, BGMC has created a special offering box for Royal Rangers to use to collect money for the "Masters Toolbox" program. These boxes are free, and they can be ordered by calling GPH at 1-800-641-4310. These boxes (like any of the BGMC free resources) are not listed on the GPH or BGMC Web site because they are a free resource.

POWWOW RULES

The following rules and regulations governing Pow-wow are outlined for the safety and enjoyment of your Outpost. Royal Rangers must always remember to leave the area in better condition than they found it. Because a Pow-Wow experience should never be forgotten, it is important that everyone does have a good time and will want to return again the following year. The rules should be covered with your outpost so the boys and leaders understand what is expected of them.

CONTROL AND SUPERVISION: (EVERY OUTPOST SHOULD HAVE ONE LEADER FOR EVERY 4-6 BOYS, DEPENDING UPON THEIR AGE AND CAMPING EXPERIENCE.) Outpost Commanders are to control and supervise the boys in their outpost at all times. Boys should travel to and from events using the buddy system. There should be no one wandering around alone. Know where your boys are going and make sure they have proper supervision. There is always the possibility of an accident.

FIRE SAFETY: (A COMMANDER MUST SUPERVISE BOYS WHEN WORKING WITH OR AROUND FIRES.)

- Properly clear the area for a fire. Fires are preferred in fire barrels! The camp does not provide Fire Barrels. If you plan on having a fire in your camp you will need to bring a Fire Barrel or pit with you!
- Each fire shall have a bucket of water, sand, or dirt readily available.
- Be sure there are no overhanging trees over the fire.
- Boys are not allowed to bring liquid fire starting fluid to camp.
- No candles or fuel lanterns will be allowed in tents or cabins.
- Make sure that when you leave your campsite all fires are extinguished.

KNIVES AND AXES: (A COMMANDER MUST SUPERVISE BOYS WHEN WORKING WITH ANY HAND TOOLS.)

Only boys who have completed the Royal Ranger Tool Craft course shall be allowed to use knives and/or axes.

No sheath knives are allowed. Boys should bring pocket knives only.

SWIMMING: Swimming will only be permitted during the scheduled times and in designated areas only! No boys may go into the water without a commander supervising them and a lifeguard present. NO EXCEPTIONS!

REGISTRATION FORM & INSURANCE: Every boy is required to have both a medical release form and a permission form completed in its entirety. Every commander, leader, or father needs to have a medical release and Pastor's certification filled out and signed by the Pastor.

The Outpost Coordinator needs to keep one copy on file at his campsite and turn one copy in to the District Camp Director when they register.

PRAYER: Commanders we ask that you start praying and fasting now that there will be many boys coming to accept Jesus Christ as their Lord and Savior and being filled with the Holy Spirit during our council fire services. This is what Pow-wow is all about! Commit to pray daily that the Lord will move in a mighty way.

COUNCIL FIRE: All Rangers and commanders must attend ALL morning and evening services. No one is to be left back in the campsite. It is also a time for announcements and presentations that you do not want to miss.

VEHICLES: Vehicles will be allowed into the campsites for loading and unloading only. They must be removed as soon as they are unloaded. Due to the location of the camping area it may be necessary to offload your outpost equipment into a trailer and have it towed to your campsite. Any outpost that has not removed their vehicles from their campsite by morning assembly on Friday will not be eligible for Awards. Let's be considerate, patient, and compliant.

RESTROOMS AND SHOWERS: This camp has restrooms and shower facilities. We will be assigning some outposts to help us clean the restrooms and showers each evening. Remember we want to leave a good impression of Royal Rangers, as we would like to use this facility annually. If the restrooms need attention, please notify someone on the District Staff.

POW-WOW RULES (Continued)

Each Outpost Coordinator will be responsible for the conduct of his Outpost.

All garbage must be kept in garbage bags. Full garbage bags need to be placed in the dumpster behind the maintenance building next to the swimming pool for disposal.

Please stay off the low ropes course located just outside the tent camping area. It will be a draw for the boys for sure!

The time between lights out (taps) and reveille must be respected. That includes keeping quiet while remaining in your camping area. No one should be outside their camp after Taps. The only exception to this rule is the Ranger Patrol and Camp Staff.

No one is to be in the Council Fire Area or Swimming Area except when he is instructed to go there, and supervised.

All flashlights will remain off at the Council Fire Area until after the council fire is over. Commanders please help us with this.

There will be no cutting live trees or saplings. There are no lashing materials available at this site. Bring your own lashing materials for projects and please take all materials home with you.

No ditching of tents or digging pits for fire or dish water disposal.

All camp fires must be in a fire barrel unless approved by the District Director.

The Camp **does** have a swimming pool along with a lake for canoeing and paddle boats. Please teach your boys to use the buddy system. We will need each Outpost to provide Commanders, Leaders, or adult supervision with their boys when they come to the swimming area or the lake. Please check the schedule and bring the boys at the appropriate times. Do not bring them if their age group is not supposed to be there.

The Camp is pretty compact but the buddy system will be in effect during Pow-wow. If any staff member finds a boy by himself, he will be taken to the staff lodge and released only to the Outpost Coordinator. There is a lot to see and do at the camp, and we want every boy to experience the excitement, scenes, and beauty of the camp, however, we want them to be safe as well. Be sure your boys understand and use the buddy system.

Camp Sanitation: Trash cans will be provided at various locations. Let's keep the camp clean at all times. Everyone is expected to do their part and pick up the trash, whether it is their trash or not. Outpost leaders, please take charge in ensuring this is a priority.

No Golf Carts, Gators, or ATV's allowed unless prior approval is made by the District Director for use. Outpost Coordinators may contact the District Director to arrange transport of handicapped persons. Emergency vehicles will be assigned and marked for use.

Pow-wow's are geared for boys ages 8-18, so have your boys invite their friends!
